PRINCIPAL JETS

VETERAN-OWNED PRIVATE AVIATION

Discreet. Precise.
On your time.

UNSCHEDULED AIRCRAFT CHARTERS, GLOBALLY

www.principaljets.com

FROM OUR FOUNDER

Dear Friends,

It is my distinct pleasure to introduce you to Principal Jets, a Veteran-Owned private aviation company specializing in unscheduled aircraft charters around the world. Whether your travel calls for a Gulfstream G700 Ultra-Long-Range Jet flying nonstop from Atlanta to Dubai, a Citation Latitude Midsize Jet visiting several domestic cities in a single day (some no longer served by commercial airlines), a King Air 360 Turboprop for a regional trip to the big game, or an Airbus H145 Executive Helicopter from Midtown Manhattan to the Hamptons, we have the flexibility to meet every one of your private aviation needs.

Safety is the foundation of everything we do. Every charter we offer is audited to standards beyond what the FAA requires, and the aircraft, the Pilots who fly them, and the Maintenance Teams who maintain them have all undergone independent audits. That same commitment to excellence allows us to deliver exceptional value, without compromise.

Discretion is equally fundamental. Principal Jets maintains a zero-tolerance confidentiality policy: the details of your travel will always remain private, and your image or identity will never be shared on any form of social media by Principal Jets or its employees.

Above all, we provide a personal level of service, with every charter tailored to your preferences. When you or your organization anticipates a need to fly privately, I invite you to contact us to discuss your plans so that we may provide an all-inclusive, no-obligation charter quote to consider. We look forward to welcoming you aboard.

Sincerely,

Charles Robertson

President & CEO, Principal Jets LLC

THE PRINCIPAL JETS DIFFERENCE

Worry-free aircraft charters, customized to the preferences of our clients.

Principal Jets offers access to a flexible and diverse fleet of available aircraft, including helicopters and fixed-wing airplanes from Turboprops to Jumbo Jets, based at strategic locations across the U.S. and beyond. Our objective is to offer the ideal aircraft options for your specific travel needs each time you fly with us.

01

Empty Legs first

For One-Way travel, our first objective is to identify any available Empty Legs that may match your requested routing, in order to pass along an enhanced level of savings to you.

02

The best-fit aircraft

If no Empty Legs are available, we carefully match your travel needs with the aircraft options that best fit your specific requirements. The same steps are taken for Round Trip travel.

03

Smarter round trips

If your return departs more than two days after you arrive, we may match two different airplanes to your Round-Trip or Multi-Leg travel as a more cost-effective option. The details will be articulated in your quote and explained in advance by a member of our team.

THE PRINCIPAL JETS DIFFERENCE

Benefits of chartering with Principal Jets

01 No Membership Fees

02 No Aircraft Ownership or Maintenance Fees

03 Simply pay for the time you fly (plus related expenses)

04 You are not locked into a single aircraft category, as with most fractional programs

05 All aircraft options are ARGUS Rated to ensure enhanced safety standards are met

06 True One-Way pricing is often available from our Empty Leg pool

07 Zero-tolerance confidentiality policy to ensure your travel details remain private

OUR EMPHASIS ON SAFETY

Safety ratings in excess of what the FAA requires.

By emphasizing the importance of aircraft charter safety, Principal Jets is able to pass along a sense of confidence to our clients, by ensuring every aircraft option we offer is audited to standards beyond what the FAA requires.

Each charter option offered by Principal Jets will carry one of the three prestigious ARGUS safety designations below, the top safety ratings in the private jet charter industry. Each is earned by enduring thorough independent audits of all aspects of the flight operations.

ARGUS Gold

- Operating certificate for a minimum of one year
- At least one turbine aircraft on certificate
- In-depth Historical Safety Analysis
- Pilot background check
- Aircraft operational control validation

ARGUS Gold Plus

- Operating certificate for a minimum of one year
- At least one turbine aircraft on certificate
- In-depth Historical Safety Analysis
- Pilot background check
- Aircraft operational control validation
- **ARGUS On-site Audit with uncorrected findings**

ARGUS Platinum

- Operating certificate for a minimum of one year
- At least one turbine aircraft on certificate
- In-depth Historical Safety Analysis
- Pilot background check
- Aircraft operational control validation
- **Emergency Response Plan**
- **ARGUS On-site Audit with no or corrected findings**
- **Functioning Safety Management System**

CHARTER OPTIONS

Helicopters & turboprops

Fleet Standard: airframes 2016 and newer. Representative aircraft shown; every Principal Jets quote includes photographs of the specific aircraft offered and its year of manufacture.

GUESTS
4–10

RANGE
300–550 nm

IDEAL FOR
City & estate transfers

FROM ATLANTA
Lake Oconee · Sea Island

01 · ROTORCRAFT

Helicopters

Door to destination, above the traffic.

The final mile, solved. Executive helicopters connect city centers, private airfields and estates in minutes, turning ground transfers into a seamless extension of your flight.

AIRCRAFT

Airbus H125 · Bell 407GXi · Airbus H130 · Bell 429 · Leonardo AW109 Trekker · Airbus H145 · Leonardo AW169 · Leonardo AW139 · Airbus H160

GUESTS
4–9

RANGE
1,200–1,800 nm

IDEAL FOR
Resort & regional airfields

FROM ATLANTA
Hilton Head · Destin

02 · REGIONAL

Turboprops

Efficient, versatile and closer to where you're going.

Modern turboprops reach shorter and smaller runways that many jets cannot, in quiet, pressurized cabins. A refined and economical choice for regional business and resort travel.

AIRCRAFT

Pilatus PC-12 NGX · Beechcraft King Air 360 · Beechcraft King Air 260 · Daher TBM 960

CHARTER OPTIONS

Light & midsize jets

GUESTS
Up to 7

RANGE
1,300–2,100 nm

IDEAL FOR
Trips up to 3 hours

FROM ATLANTA
Teterboro · Miami · Chicago

03 · JET

Light Jets

The intelligent choice for regional travel.

Jet speed and efficiency for smaller parties, with comfortable club seating and access to thousands of airports. Ideal for same-day business trips and weekend escapes of up to about three hours.

AIRCRAFT

Embraer Phenom 300E · Cessna Citation CJ4 · Citation CJ3+ · Pilatus PC-24 · Learjet 75 Liberty · HondaJet Elite II

GUESTS
Up to 9

RANGE
2,100–3,300 nm

CABIN
Stand-up, enclosed lavatory

FROM ATLANTA
Aspen · Los Cabos

04 · JET

Midsize Jets

Stand up, stretch out, arrive refreshed.

A stand-up cabin, enclosed lavatory and room to work or rest make midsize jets the natural step up for longer trips and larger parties, with coast-to-coast capability in the latest models.

AIRCRAFT

Cessna Citation Latitude · Citation XLS Gen2 · Embraer Praetor 500

LARGER CHARTER OPTIONS

Super midsize & heavy jets

GUESTS
Up to 10

RANGE
3,200–3,600 nm

CABIN
Wide stand-up, full galley

FROM ATLANTA
Los Angeles · San Francisco

05 · JET

Super Midsize Jets

Coast to coast, without compromise.

A wide, stand-up cabin seats up to ten guests in genuine comfort, with the range to fly nonstop from Atlanta to the West Coast. Quiet enough to work, spacious enough to rest, and built for long days that still end on time.

AIRCRAFT

Bombardier Challenger 3500 · Gulfstream G280 · Cessna Citation Longitude · Embraer Praetor 600

GUESTS
10–16

RANGE
4,000–6,700 nm

CABIN
Multi-zone, lie-flat seating

FROM ATLANTA
London · Paris

06 · LARGE CABIN

Heavy Jets

The boardroom, the dining room, the destination.

Large-cabin jets offer distinct areas for meeting, dining and resting, with lie-flat seating and the range for nonstop transatlantic travel. Built for international itineraries and larger parties who expect nothing less.

AIRCRAFT

Dassault Falcon 8X · Bombardier Challenger 650 · Dassault Falcon 900LX · Falcon 2000LXS · Gulfstream G500 · Gulfstream G600 · Dassault Falcon 6X

LARGER CHARTER OPTIONS

Ultra-long-range jets & group airliners

07 · LARGE CABIN

Ultra-Long-Range Jets

The world, nonstop.

The pinnacle of private aviation. Ultra-long-range jets connect continents without a stop, in cabins with private suites, full galleys and some of the quietest rides in the sky.

AIRCRAFT

Gulfstream G700 · Gulfstream G650ER · Bombardier Global 7500 · Bombardier Global 6500

GUESTS
13–19

RANGE
6,600–7,750 nm

CABIN
Private suites, full galley

FROM ATLANTA
Dubai · Tokyo

08 · GROUP CHARTER

Group Airliners

Your entire team, one aircraft.

Dedicated airliners for professional and collegiate teams, marching bands, corporate groups and faith-based travel, from 30 to more than 300 guests, with a single point of contact from the first call to the final landing.

AIRCRAFT

Wide-body airliners, including the Airbus A330 · Narrow-body airliners · Regional jets

GUESTS
30–300+

RANGE
Regional to intercontinental

IDEAL FOR
Teams, bands & groups

FROM ATLANTA
Wherever the season leads

THE PRINCIPAL JETS DIFFERENCE — MEDICAL & COMMUNITY

Committed to giving back to humanity.

Principal Jets is committed to giving back by offering our services in response to natural disasters, family tragedies, and medical emergencies. We partner with organizations that share our commitment to serving others, so that every mission makes a meaningful difference.

Our humanitarian efforts

- Transport of injured Veterans by Air Ambulance
- Rapid transport of Human Organs for Transplant
- Urgent transport of Family Members and Clergy at critical times
- Emergency response during natural disasters (personnel and supplies)

Principal Jets in the community

- Member of the East Coast Chapter of the Tuskegee Airmen
- Air Force One Professional Development Program Mentor
- Founder of the annual 'Aviation Exposure' youth flight training event
- Mentor to High School students interested in pursuing aviation career paths
- Has coordinated life-saving flights for Veterans suffering from Traumatic Brain Injuries
- Has provided humanitarian support during times of natural disasters

SUPPORTING OUR MILITARY VETERANS

Principal Jets in Motorsport Racing

Principal Jets partnered with the racing team of Professional Race Car Driver Jesse Iwuji, who competed in a national Motorsport Racing truck series, before he joined forces with a Pro Football Hall of Famer to form Jesse Iwuji Motorsports.

In addition to being a Professional Race Car Driver and current Motorsport Racing Team Owner, Jesse Iwuji is a graduate of the U.S. Naval Academy and a former Active Duty U.S. Naval Surface Warfare Officer. Jesse currently serves as a Commander in the U.S. Naval Reserves. So, he remains a champion for Active Duty Military members and Veterans from every branch of our U.S. Armed Forces.

For Principal Jets, this partnership is personal. Our Founder, Charles Robertson, served nine years in the U.S. Air Force and the Air National Guard, keeping F-4 Phantom and F-16 Fighting Falcon fighter jets mission-ready. That same discipline and attention to detail now guide every charter we arrange, and the same spirit of service drives our commitment to those who have served, which has included coordinating life-saving flights for Veterans suffering from Traumatic Brain Injuries.

As a Veteran-Owned company, Principal Jets will continue to seek out partners who honor the sacrifices made by our men and women in uniform and who share the values of service, integrity and excellence we uphold every day.
